

Cooperation Forum 2021 Sponsorship Catalogue

Sponsor simultaneous interpretation for this year's
Cooperation Forum

Your support will ensure that sessions are accessible in both
official languages

Why should I sponsor simultaneous interpretation for the Cooperation Forum?

Cooperation Canada is offering this year's Forum as a free event to any staff of its member organizations. As a bilingual organization that recognizes Canada's official languages and values accessibility, we are offering simultaneous interpretation for every session of the Cooperation Forum to allow participants to have equal access to all that the event has to offer. In order to accomplish this, we need support to cover associated costs. Because simultaneous interpretation for sessions requires two interpreters, we're offering opportunities to sponsor full simultaneous interpretation for a session or half.

What we offer to Cooperation Forum sponsors

As a sponsor, your logo will be included on all communications about the Forum, including on our website and any participant materials to thank you for your support.

Sponsorship Opportunities

Full simultaneous interpretation for a session
(up to 4 available) - \$1,250 each

Half of the simultaneous interpretation for a session
(up to 8 available) - \$625 each
