GENDER EQUALITY

LEVERAGING IDEAS AND EXPERTISE TO OVERCOME POVERTY AND ADVANCE WOMEN'S RIGHTS

Every year, Crossroads International engages hundreds of experienced volunteers and staff, North and South who apply their expertise locally to address poverty and inequality.

On average Crossroads engages **100+** volunteers every year.

We collaborate with partner organizations in Africa who are best positioned to meet the needs of their communities. We are currently partnering with **60+** civil society organizations in **Burkina Faso, Ivory Coast, Ghana, Senegal, Eswatini, Tanzania, Togo, Uganda and Zambia.**

Crossroads also engages Canadian organizations that collaborate with our local partners, to share expertise and knowledge on empowering women and girls in leadership and socioeconomic areas. Together, we are leveraging knowledge, expertise, and dollars to create a more just and equitable world, supporting women and girls to move from victims of violence to voices for change.

LEVERAGING IDEAS AND EXPERTISE TO OVERCOME POVERTY AND ADVANCE WOMEN'S RIGHTS

Thanks to our supporters, donors and funders, we have this past year reached **120,000+** direct and indirect beneficiaries including women and men.

There has been a reduction of **33%** in the rates of early marriages because of the Girls Empowerment Programming. And a partnership between a Canadian soap-making company and a community of rural Senegalese women entrepreneurs led to skills development and that increased the women's sales production by **40%**.
